Marco Romero Martín
UI / Frontend DEV

Spain • marco_antonio88_9@hotmail.com • Portfolio • GitHub • LinkedIn

Profile

Senior UI Developer specialised in interface architecture and UI quality, with experience since 2017 in frontend and DXP environments. Expert in Design Systems and WCAG 2.2 accessibility for new developments and migrations.

Key Contribution

- Definition and standardisation of UI criteria for enterprise projects.
- Improvement of accessibility and interface quality in both legacy and new platforms.
- Reduction of technical debt through design systems and reusable components.

Selected Clients

Generali, Bidafarma, AXA / Direct Seguros, Inditex, Triodos Bank, Viajes El Corte Inglés, MUFACE, Exolum, Mundiplan, Finsa, UNIR.

Work Experience

2023 – Present **Senior UI Specialist Developer**, *Knowmad Mood.*
- UI team leadership and delivery quality control.
